Medical Relief		South Kanara Dist — Kankanadi Taluk — Manjeshwara pathe village — opening of a Rural Dispy and Maternity ward	

M.S.Adhikari, B.A.,LL.B.,
Vakil.

Karkala,
Dated 22-6-1953.

To

The Hon'ble Sri A.B.Shetty,
Minister for Health,
Fort St. George,
Madras.

MINISTER FOR HEALTH
24 JUN 1953
GOVERNMENT OF MADRAS

Dear Mr. Shetty,

I thank you very much for your kind reply dated the 18th. In Karkala Government Hospital also the lady doctor has gone on leave and I am told that she is not inclined to come back. Dr. Shetty from Udipi has been temporarily posted to Karkala for six months. Something has to be done to see that both the male and the lady doctors stick up here.

On my motion the District Board in its meeting held on 17-9-1952 had passed a resolution No.77(4) to open a Rural Dispensary and a Maternity ward at Manjarapalke in Karkal Taluk provided the local people give a free building and a site with necessary equipment. The matter I think has gone to the -- Government and about a month ago the Revenue Department came to me and has taken a statement from me. Sri K.Mahabala -- Hegde, Vakil, Karkala is very enthusiastic about the opening of the dispensary and has promised with the cooperation of the local people to give a free building and a site with necessary equipment. A maternity health centre has been opened there under the Community Project Scheme, Sri K.M.Hegde having given given Rs.150-0-0 for purchasing kits. Mr. Hegde is prepared to go ahead with the building and lay the foundation during the rainy season and put up the building as soon as the rainy -- season is over if he is assured of opening of the rural -- dispensary there. I request you to be good enough to see that the matter is expedited and early and favourable orders are -- passed. Hope to meet you when you come over to Mangalore to

unveil the portrait of the late Dr. Vittal Shetty in the District Board Hall on the 28th. I have no doubt that you will be kind enough to do the needful for Dr. K. Venkat Rao.

With respects,

I remain,

Yours sincerely,

S. Apte

Subject: Medical Relief South Kanara Dist. Karkal Taluk - Manjeshwarpalke Village - Opening of a Rural Dispy. and Maternity Ward

Read:-

Petition from Sri. M.S. Adhikari B.A.B.L. Vakil of Karkala dt. 22.6.53.

—x—

Memo. No 34535 L3/53-1 (H) dt. 6.7.53.

Sri. M.S. Adhikari B.A.B.L. Vakil, Karkala is informed that proposals have not yet been received by Govt. for the opening of a rural dispy. and the maternity ward at Manjeshwarpalke.

If the rural dispy. is to be a non subsidised one, the Dist. Board itself is competent to open such dispy. Sanction of Govt. will be necessary permitting the Dist. Board to accept the gift of the building and incurring of necessary expenditure for the proposed maternity ward.

With regard to posting of doctor to the Govt. Hospital, Karkala, he is requested to contact the D.M.S
